

## GERANIUM LEADS THANKSGIVING FOOD BANK DRIVE

Geranium Homes presents a cheque for \$8,600 to the Whitchurch-Stouffville Food Bank.

Thanks to residents of **The Neighbourhoods of Cardinal Point**, along with consultants, trades and staff of **Geranium Homes**, the **Whitchurch-Stouffville Food Bank** has received a major head start on its annual Thanksgiving Food Drive.

For the sixth year in a row, **SCS Consulting Group** helped to organize the collection of food and

funds from trades and suppliers and added to the grand total, which amounted to \$8,600 this year. Geranium contributed \$50 per home sold at Cardinal Point in the past year.

“We are so thankful for the generosity from everyone involved in Geranium’s food drive. This donation alone will last us until late spring,” said executive director **Marion Wells**.

On September 6, Geranium held its annual Barbecue-in-the-Park event where the food drive kicked off. Throughout the month, homeowners dropped off food donations to the Cardinal Point sales centre. At the end of September, Wells and Whitchurch-Stouffville Mayor **Wayne Emmerson** joined the group at Cardinal Point for the final tally and cheque presentation at Uptownes, Geranium’s master-planned ravine community.

## ENJOYING SOME FINE WINE

On a beautiful day in September, 40 members of the GTA’s building and developments industries set out for a day of wine tasting along Niagara’s Wine Route, sponsored by **HOMES Publishing Group**, **Torlys**, **Sun-Brite Drapery** and **Shade-O-Matic**.

## MODEL HOMES OPEN AT VICTORIA HIGHLANDS

East Gwillimbury Mayor Virginia Hackson, centre, is joined by representatives of Averton Homes and Rosehaven Homes as she cuts the ribbon at the grand opening of Victoria Highlands.

Over 200 community members gathered under a beautiful sunny sky in September to celebrate the official grand opening of **Victoria Highlands’** four designer-

decorated model homes by **Averton Homes** and **Rosehaven Homes**.

Representatives from Averton and Rosehaven were joined by East Gwillimbury Mayor **Virginia Hackson** for the official ribbon-cutting ceremony. During the afternoon festivities, lunch and refreshments were served and buyers were given a chance to tour all four model homes.

With decades of experience combined in the building industry, Averton Homes and Rosehaven Homes have created a true master-planned community. With reputations that supersede their contemporaries, the success of Victoria Highlands represents the GTA’s best in home design and architecture.

Located off Ninth Line, north of Mount Albert Road, Victoria Highlands offers homebuyers unprecedented

choice in the one of Ontario’s most charming towns. Ranging in size from 2,615 to 3,998 square feet, the four model homes feature beautifully designed interiors, offering spacious floor plans, distinctive architectural details and quality construction. Designed with area homebuyers in mind, each model features distinct style elements, fusing contemporary luxury and innovative design.
