Inventory homes are available with quick closings.

One of Ontario's prettiest lake-side towns frames one of Geranium Homes' most charming home collections - Port Hope Heritage. Conveniently located just south of the 401, only an hour east of Toronto and half an hour from Oshawa and Peterborough, Heritage is within walking distance of the shopping, services and amenities of downtown Port Hope, plus a 10-minute drive from big-box stores and the brand new Northumberland Hills Hospital in Cobourg. The final phase of Geranium's popular neighbourhood offers bungalows and raised bungalows, some on tranquil court lots.

Preserved Victorian homes and buildings contribute to Port Hope's enchanting nineteenth century character. Residents and visitors alike enjoy its array of antique and specialty shops, as well as variety of fine dining restaurants, cafés and pubs. Port Hope

has enjoyed the designation as "best-preserved Main Street in Ontario," and the municipal transit system offers convenient access to these amenities.

Known for its friendly atmosphere, Port Hope has wonderful outdoor opportunities for anglers with top-class salmon and trout fishing, as well as hikers, with a picturesque trail network along the Ganaraska River and Lake Ontario. Culture buffs enjoy the art galleries, and performances at the Capitol Arts Centre. Empty nesters find this location ideal, and professional couples who work in the GTA appreciate how handy Via Rail is for commuting.

More than 250 families have already moved in to Geranium's architecturally beautiful neighbourhood with its wide range of elevations and styles. Now available for sale as one of the inventory homes, the 2,082-square-foot (includes finished lower level great room) Dominion, one of two Model Homes, is decorated and furnished to provide a true appreciation for the potential in these lovely homes.
