

## Mayor's food drive on in Stouffville

News Sep 29, 2012 Stouffville Sun-Tribune

Whitchurch-Stouffville is a giving community.

Literally.

Volunteers are sorting and collecting donations of food and cash at the town's municipal offices this morning.

The fourth annual Mayor's Thanksgiving Food Drive is on until noon.

Donations are being accepted at local grocery stores and the municipal offices. The food is then packed and delivered to the Whitchurch-Stouffville Food Bank.

Geranium Homes and local contractors gave the drive a kick-start, dropping a large donation for volunteers to sort and ship to the food bank in Churchill church, near Ballantrae and Musselman's Lake.

You can make donations to the food bank year round at local stores and churches.
