COURTS OF CANTERBURY
BY GERANIUM

FEATURE

Geranium invites right-sizing homebuyers to enjoy a wonderful adult-lifestyle community at Courts of Canterbury in picturesque Port Perry. Situated alongside Lake Scugog, a short walk to the historic downtown, Geranium is now previewing a portfolio of imaginative bungalow and bungalow-loft designs with open-concept spaces that are ideal for flexible living and entertaining. This bungalow model finished in a Hamptons style has an upscale yet relaxing, tranquil environment. A palette of cool neutrals is accented with pale blues and greens inspired by the community's waterfront location. The light colours complement the nine-ft. ceilings, beautiful large windows and sliding doors, and soaring vaulted ceiling. The interior furnishings incorporate cherished keepsakes and travel acquisitions, and the gallery-style artwork throughout adds splashes of colour and interest. In the kitchen, two-toned cabinetry is paired with stylish quartz stone countertops, and elegant flooring provides a seamless transition from room to room. Finally, the master bedroom and adjoining ensuite offer a soothing, zen-like retreat to rest and relax.
