It's your home. And, we take pride in it.

Since 1977, Geranium has designed and built homes with sensitivity and respect for the environment, the local neighbourhood, and the families who will call them home. That's just one reason why we've won hundreds of homebuilding awards for craftsmanship and care since our founding in 1977. It's also the reason why we are the proud recipients of the 2021 Durham Region Builder of the Year Award.
